

## Exciting and Free Recycling Opportunities!

### Crayon Recycling Program

Converting otherwise disposed crayon nubs into reusable, exciting new molded designs.

#### ***Exactly what gets recycled?***

Any crayon nubs - parts that are small enough to be bothersome to keep.

#### ***What brand of crayons can be recycled?***

Any brand, but try to keep the paper on the crayons for separation purposes.

1. Collect crayon nubs in different locations around the school.
2. Ship to: LAF Lines, Ltd.

15826 County Rd. 40

Carver, MN 55315

Phone: 800-561-0922

\*If you want to receive new molded crayons (Crazy Crayons) for each pound of crayon nubs you send, **please put your address *inside* each box** (sometimes the address on the outside gets covered or damaged).

\* Please make a note of when you want the CRAZY CRAYONS™ sent, if there's a deadline. Check out the CRAZY CRAYONS web site (<http://crp3.tripod.com>) for cheaper shipping tips.

\*A new Portland area option is to bring broken or old crayons to **Far West Fibers, 5525 SE 28<sup>th</sup> Ave., Portland, 503-238-1640**. *Rebecca's Recycled Writers* is making similar molded recycled crayons. Currently, they are only sold in packets which include a small paper tablet.

### Transparency Film Recycling

Did you know that 3M will recycle any transparency film?

#### **Here's how it's done:**

1. Provide transparency recycling containers at your school and collect all used transparency film.
2. **Send transparencies to:**  
3M Recycle Program c/o Gemark  
99 Stevens Lane  
Exeter, PA 18643

\*Please mark your name and organization for record keeping purposes.

## PRINTER CARTRIDGE RECYCLING

**FREE MONEY!!!** There are many programs for recycling printer cartridges that will actually raise funds for your school! Cartridges can be collected from the school, local businesses and students' homes. The cartridges, which otherwise would end up in the landfill, will make money for each cartridge recycled by your school. One local cartridge recycling provider that schools are raving about is **TONERinx**. ([www.tonerinx.com](http://www.tonerinx.com), 800-887-6159) They will provide a collection container for your school, collect cartridges on a routine basis and can be depended upon to pay for the cartridges they collect.

For areas outside the Portland metropolitan region, printer cartridge recycling program options include:

**Rapid Refill Ink**

**Daren Patera, owner**

**503-587-0465**

If you have questions about recycling or composting any materials your school generates, call the Clackamas County Recycling Partnership at (503) 353-4454.
